BALI BEADS

Large range of Bali Beads in Sterling Silver and Gold Plated Sterling Silver available POA

Gemstone Setting Instructions for Snap-Tite or Click-In mountings

Just turn the stone face down on a semi-hard surface (a magazine works well), push the mounting down over the gem – until it “snaps”. Check and make sure the stone is level in the setting, and adjust claws and level if necessary. “Gentle” is the key, as too much pressure can twist the setting or damage a valued stone.
